CLERK ALBUQUERQUE

ment 016 Filed 01/07/2015
in the matter attorney Nathaniel
Thompkins to withdraw as counsel
of record for plaintiffs Kristian
Petino and Antonio Gallegos
you made Nathaniel Thompson
provide myself, Kristian Petino
Gallegos of a full disclosure
of all money has been paid
by us (plaintiffs) I have
made phone calls to this
office after you imposed the
fourteen day rule on Mr.
Thompson. No one in his office
has physically answered the
phone I have left telephone
calls on the office voicemail
and have received no
phone calls back, no word
has been provided to me
by mail, I have checked
with my father in law
Mr. Luis Gallegos if any
man arrived at Santa Fe
or Espanola and as of
today, no disclosure has
been given to me I respectfully
ask your honor, to intercede
in helping me obtain this
information, along with our
file to include discovery

obtained. I am doing pro se
and have had a hard time
getting a new attorney and
expect them to take my case,
understand it, put in any
further motions him or her
may seem imperative to ask
you to hear before our
next pre trial event. Because
of the unwillingness of
Nathaniel Thompson to provide
me with any of this: his
reasoning, agenda, avoidance makes
it more burdensome and am
asking your excellency, to
postpone our next hearing
for a more realistic time
frame after Nathaniel Thompson
provide us with this. After
all, he did on record state
he was paid in full and
no money was owed to
him and he had been
paid for everything, including
the trial. I, respectfully,
ask to receive a fair hearing
and ask the court to assist me
in obtaining all the information
Nathaniel Thompson has on
my case and ask for your
involvement to enforce the law.
